Model #670150

Model #670160

Extending Deal Tray with Trim Kit
For Up To 8" Walls-
Model #672353, Model #672354

Model #672350

Features:

- Economical security solution for cashier and ticket windows, outdoor payment kiosks and other point-of-sale contacts
- Suitable for walk-up or drive-thru applications in interior and exterior environments
- Full-length design for secure document, money and credit card transactions
- Designed with an extending tray housing for installation through walls, in countertops with a window above, in kiosks or through other window arrangements
- Removable deal tray insert that exposes a large transfer area with a curved interior for easy coin and currency removal and a clip for securing paper materials
- All Extending Deal Trays include a UL® Level 3 bullet resistant faceplate insert
- Removable deal tray on model #670150 exposes a full-length 4" high transfer area for passing convenience items, larger products up to 13" x 20"
- Model #670160 has a double-hinged lid that prevents simultaneous customer and operator access to the transfer area
- Model #672350 is designed for installation in up to 4 1/2" thick walls
- Models #672353, #672354, #670150 & #670160 are designed for installation in up to 8" thick walls
